

VASCULAR/THORACIC SURGEON**New York**

Partnership opportunity for a BC/BE vascular surgeon to join a busy, successful vascular/endovascular surgery practice which is accredited by the Intersocietal Commission for the Accreditation of Vascular Laboratories (ICAVL). A general and/or thoracic mix is welcome. Competitive salary and excellent benefits package offered. We serve a Tri-County population of 160,000. Two certified vascular technologists staff our full-service ICAVL accredited private vascular laboratory.

Our area is located on beautiful, historic Lake Champlain at the foot of the Adirondack Mountains. Besides our many outdoor activities of hiking, boating, camping fishing, and skiing, we are in close proximity to a wide variety of cultural opportunities. Crowd Control

There are times when you want a crowd. In fact, you'd be disappointed if you didn't have one. Like when you're sponsoring a major conference or seminar.

So how do you control it? By making sure you advertise the event right here.

We're read by the brightest, most enterprising professionals in the field. Which means they're looking for interesting conferences and seminars to attend.

You'll find placing an ad here is the cost-effective way to draw a crowd. This way, instead of worrying about poor attendance, you'll be worried about getting enough chairs!

To place an ad, call or fax Ariel Medina at (212) 633-3689; fax: (212) 633-3820; email: a.medina@elsevier.com
